## Noggin Finance your #1 Personal & Business Financing Network

*Noggin Finance* provides access to experts in financial products, financial strategy, and experts in business growth. We have worked closely with the financial providers to build out this truly one-of-a-kind financing network. Our network provides over twenty consumer and commercial financing products to help at any stage of your business cycle.

We have a substantial financing network of over 1,000 partners, which includes credit unions, corporate banks, financial institutions, hard money lenders, merchant processors, angel and venture capital lenders, incubators and accelerators, and more.

We will introduce you to the best financial providers possible while providing education and guidance on the process and will help to create an opportunity for long-term relationships.

Welcome to *Noggin Finance*: the 1st Financial Service Company of its kind.

**Who is this network for:** This Noggin Finance Partnership opportunity is for any person or business needing or wanting access to a network of business professionals and financing experts that can provide any consumer or business financing products.
